Department of Transportation  
Notice to Consultants  
I-90, General Engineering Consultant (GEC) Services*

The Washington State Department of Transportation (WSDOT) solicits interest from consultants who wish to be evaluated and considered to provide General Engineering Services for the I-90 Project in Eastern Washington. One (1) agreement may be awarded. The agreement will be for approximately six (6) years in duration with the option for WSDOT to extend it for additional time and money if necessary. The Agreement amount will be approximately \$4,000,000.00.

**WSDOT apologizes, as a result of further discussion, a decision was made to not open the RFQ for the I-90, General Engineering Consultant (GEC) Services. This decision was made after notice of publication was sent and determined that it is in WSDOTs best interest to not open the RFQ for the I-90, General Engineering Consultant Services at this time. However, WSDOT will publicize it at a later date.**
